

Course Title	Course Duration
PUWER (PROVISION AND USE OF WORK EQUIPMENT) (Eco21)	½ DAY

Course Overview

The Provision and Use of Work Equipment Regulations 1998 (PUWER 98) states that any employee who uses, supervises or manages the use of work equipment should have adequate health and safety training.

This course is aimed at employees who are responsible for completing PUWER Assessments for the equipment used in their company. It combines both theory and practical exercises to review the company procedures and documentation to complete a PUWER assessment for work equipment

Who Should Attend

All employees who are responsible for completing PUWER Assessments

Other Requirements (e.g. Equipment needed)

None
